REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The prior art of record fail to teach or suggest a phase change memory device comprising an array of phase change memory cells, a current source for supplying a read current, a voltage sensor, a plurality of bit lines connected to the current source via a first switch, a plurality of word lines connected to a voltage source via a second switch and a first resistor and to the voltage sensor, a plurality of memory cells having first and second electrodes and a phase change material disposed between the first and second electrodes, and a reference voltage source connected to the voltage sensor.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Son Dinh whose telephone number is 571-272-1868. The examiner can normally be reached on 8am-5pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Richard Elms can be reached on 571-272-1869. The fax phone number for the organization where this application or proceeding is assigned is 571-273-1868.
